## Neonlite™

Neonlite™ is the fascinating new 1½" trim with a 3/8" clear section in the middle. When mounted it imparts a "halo" effect to your trademark, with the appearance of neon but without the maintenance costs of neon.

Styles available:

- 1 ½" Chrome Neonlite in 150' reels
- 1 ½" Gold Neonlite in 150' reels

## Jewelite® "F" Trim

Jewelite® "F" letter trim, our new channel letter trim is designed to be used with .118 material. The unique profile of the product secures the trim to the letter face while the adhesive has time to cure. Little or no fixturing is required increasing your productivity and profitability. Available in 18 standard colors on 150' reels for easy storage.

**Estimating Letter Trim** A "rule of thumb" for estimating letter trim material needs is to multiply the height of the letter used by a factor of 5.
